Graduation, Licensure, and Placement Rates

The Department of Education requirements for programs:

The Academy must count completed or graduated students as those who have completed or graduated by the end of the 12-month period ending August 31 of the prior award year during which 150% of the normal time for completion or graduation from their program has lapsed. Therefore, the statistics listed below are based on students who began their program between 9-1-2016 to 8-31-2017, allowing for 150% of the normal time for completion or graduated by August 31, 2019. The annual rates are based on the full-time, first-time certificate (diploma) seeking students. Normal time is the amount of time necessary for a student to complete all requirements for a diploma (certificate) according to The Academy's catalog. Rates below are for Title IV approved, GE Programs. The placement rates for students completing a gainful employment program are determined under a methodology developed by the National Center for Education Statistics (NCES). **NOTE:** Graduation rates disaggregated by gender, major racial and ethnic subgroup, recipients of a Federal Pell Grant, recipients of a subsidized Stafford Loan who did not receive a Pell Grant and students who did not receive either a Pell Grant or subsidized Stafford Loan can be found at <http://nces.ed.gov/collegenavigator/>. The Academy will make available upon request information regarding the placement / employment of and source of / time frames of the information and types of employment obtained by its graduates prior to enrolling or entering into any financial obligation with The Academy.

Main Location Address: 415 D Orchard Avenue, Altoona, PA 16601

Cosmetology

Graduation/Completion Rate: 82%

Licensure: 96 %

Placement: 96%
